Revere's latest addition to their comprehensive ISO life raft range, the Revere Offshore Commander 4.0 life raft offers a solution where space and weight savings are an important requirement.

Designed, tested and manufactured to ISO 9650, it is designed to protect passengers in offshore conditions, where strong winds and significant waves can be met. The self-deploying canopy and large entry opening allows for easy access on board.

Available as both valise or container, as 4, 6 or 8 person capacity, it has a less than 24hr survival pack inside the life raft.

## KEY FEATURES

- ISO9650-1 approved
- Highly visible orange canopy
- Exterior locator light
- Interior Light
- SOLAS Retro-reflective tape
- Boarding ramp and knee boarding ladder
- Insulated Floor
- Internal safety lines
- External lifelines
- Rainwater collection system
- Observation port
- Vacuum packed
- 4 ballast bags
- Independent buoyancy tubes
- <24 hour equipment pack
- 5+ sq ft. per person
- 3 years inspection interval
